

Meeting Minutes

SUBJECT: Ecology and Environmental Awareness Committee

DATE: November 20, 2008

LOCATION: City Hall, 1st Floor Main Conf. Room

FROM: John Wulf, Acting Director of Public Works / City Engineer

ATTENDEES: Diane Meyer (Chair), Richard Marx, Pam Fournier, M. Lee Gerdelman, Martha Kohn, John Wulf (Staff Liason)

ABSENT: Andrea Maddox-Dallas (Aldermanic Representative), Catherine Werner, Punit Jain, Fran Lang

MEETING CALLED TO ORDER - 5:10pm.

APPROVE PRIOR MEETING MINUTES - A motion to approve the October 23, 2008 minutes was made and seconded. Motion passed 5 yeas 0 nays.

OLD BUISNESS

1) City Views

- a. All agreed for members to provide submission for City Views. The Environmental Recycling Area (ERA or mulch pile) is the tentative feature for the next available issue in the February 2009 issue.
- b. John to report back to Diane for submission dead line in the Feb 2009 City Views. There is no January issue.

2) Rain Barrels

- a. Paul stated that Metropolitan St. Louis Sewer District would not have new information on this program until Jan 2009.

3) Commercial Recycling

- a. This item was not discussed.

- b. Carried over from October 23, 2008 meeting. Members agreed to create a questionnaire for the commercial generators of recycled materials and investigate the possibility of distributing through the Chamber of Commerce.
- c. Paul Wojciechowski was to provide sample questionnaire.

4) **Blueprint for Action**

- a. Members discussed what to do with the Blueprint for Action. Question is have all the items been addressed? Is document still a useful guide or does need to be updated?
- b. Items of concern have been Green Events, Multi-Family Recycling, Commercial Recycling and Seasonal Environmental Information.
- c. Green Events – Members discussed additional efforts to discourage vendors use of non-recyclable containers (i.e. Styrofoam or #6 plastic).
 - i. John to check on the following:
 - 1. Are there any existing restrictions for vendor use of containers?
 - 2. Does Parties in the Park offer recycling?
 - 3. Can plastic bottles be banned at all events? All beverages to be disbursed via fountain or tap.
 - 4. Can events offer incentive program to recycle (i.e. deposit tickets for credit toward next purchase)
 - 5. Can recycling and eco friendly container information be included in vendor information packets?
- d. Multi-Family Recycling - Rich state that the five towers along S Hanley Rd and Parktower have all provided individual bins for each floor and that this process has been reported successful by the building facility managers. He also stated that low-rise (i.e. 4-8 family units) still seem to be an issue. John stated that Planning & Development staff had requested information on contain sizes to ensure proper space in new developments for inclusion of recycling containers in trash rooms. This is still being work on.

NEW BUSINESS

- 1) **Electronic Recycling & Hazardous Waste Collection** – Pam stated that she experienced long lines for the two events that she participated in and therefore sees need for additional events. It was added that University City provides a year round drop off site.
 - a. John collected the following information from the University web site. University City provides year round drop off at the North Rear Parking Lot of the Heman Park Community Center at 975 Pennsylvania. The Electronics drop-off container is available only during daylight hours. Monday–Friday, 10:00am-3:00pm and Saturday 10:00am - 12pm. Each University City household can place a maximum of 5 electronic items in the specially marked Electronics container. Fees apply to all businesses, schools, organizations and non-residents. Please visit www.ecyclestlouis.org for more information.

2) **Clayton Spring Recycling Event** – John to look into setting up this event for 2009

NEXT MEETING - The next meeting will be Thursday, December 18, 2008 at 5:00p. The meeting will be at City Hall.

MEETING AJOURNED – 6:10pm

Cc: Lenore Toser-Aldaz, Deputy City Manager
June Waters, City Clerk

ATTENDEES: Diane Meyer (Chair), Richard Marx, Pam Fournier, M. Lee Gerdelman, Martha Kohn, John Wulf (Staff Liason)

ABSENT: Andrea Maddox-Dallas (Aldermanic Representative), Catherine Werner, Punit Jain, Fran Lang

MEETING CALLED TO ORDER - 5:10pm.

APPROVE PRIOR MEETING MINUTES - A motion to approve the October 23, 2008 minutes was made and seconded. Motion passed 5 yeas 0 nays.

OLD BUISNESS

1) City Views

- a. All agreed for members to provide submission for City Views. The Environmental Recycling Area (ERA or mulch pile) is the tentative feature for the next available issue in the February 2009 issue.
- b. John to report back to Diane for submission dead line in the Feb 2009 City Views. There is no January issue.

2) Rain Barrels

- a. Paul stated that Metropolitan St. Louis Sewer District would not have new information on this program until Jan 2009.

3) Commercial Recycling

- a. This item was not discussed.

- b. Carried over from October 23, 2008 meeting. Members agreed to create a questionnaire for the commercial generators of recycled materials and investigate the possibility of distributing through the Chamber of Commerce.
- c. Paul Wojciechowski was to provide sample questionnaire.

4) **Blueprint for Action**

- a. Members discussed what to do with the Blueprint for Action. Question is have all the items been addressed? Is document still a useful guide or does need to be updated?
- b. Items of concern have been Green Events, Multi-Family Recycling, Commercial Recycling and Seasonal Environmental Information.
- c. Green Events – Members discussed additional efforts to discourage vendors use of non-recyclable containers (i.e. Styrofoam or #6 plastic).
 - i. John to check on the following:
 - 1. Are there any existing restrictions for vendor use of containers?
 - 2. Does Parties in the Park offer recycling?
 - 3. Can plastic bottles be banned at all events? All beverages to be disbursed via fountain or tap.
 - 4. Can events offer incentive program to recycle (i.e. deposit tickets for credit toward next purchase)
 - 5. Can recycling and eco friendly container information be included in vendor information packets?
- d. Multi-Family Recycling - Rich state that the five towers along S Hanley Rd and Parktower have all provided individual bins for each floor and that this process has been reported successful by the building facility managers. He also stated that low-rise (i.e. 4-8 family units) still seem to be an issue. John stated that Planning & Development staff had requested information on contain sizes to ensure proper space in new developments for inclusion of recycling containers in trash rooms. This is still being work on.

NEW BUSINESS

- 1) **Electronic Recycling & Hazardous Waste Collection** – Pam stated that she experienced long lines for the two events that she participated in and therefore sees need for additional events. It was added that University City provides a year round drop off site.
 - a. John collected the following information from the University web site. University City provides year round drop off at the North Rear Parking Lot of the Heman Park Community Center at 975 Pennsylvania. The Electronics drop-off container is available only during daylight hours. Monday–Friday, 10:00am-3:00pm and Saturday 10:00am - 12pm. Each University City household can place a maximum of 5 electronic items in the specially marked Electronics container. Fees apply to all businesses, schools, organizations and non-residents. Please visit www.ecyclestlouis.org for more information.

2) **Clayton Spring Recycling Event** – John to look into setting up this event for 2009

NEXT MEETING - The next meeting will be Thursday, December 18, 2008 at 5:00p. The meeting will be at City Hall.

MEETING AJOURNED – 6:10pm

Cc: Lenore Toser-Aldaz, Deputy City Manager
June Waters, City Clerk
